Description

This charming tile-hung character cottage exudes the quaint features one would expect while being conveniently located just a road behind Henfield High Street. The property is offered for sale with no onward chain and is in good condition throughout.

The entrance is shared with the neighbouring property, and the cottage is set back from the road, screened by a neat privet hedge. Inside, the cosy atmosphere is immediately inviting, featuring wood panelling on one side and a brick fireplace surrounding the wood-burning stove on the other. The neutral tones and flat plastered ceilings throughout allow the next owner to move straight in without needing to make any changes.

The kitchen boasts a pleasant view of the rear garden through a large window, further enhancing the cottages charm, whilst allowing it to benefit from the westerly aspect. With high and low-mounted units and a run of worktops on two sides, storage is not an issue, and there is also space for a breakfast table.

Stairs lead to the first floor, where you'll find both bedrooms: a double bedroom at the front and a single bedroom at the rear, currently being used as an office space. A 'Jack & Jill' bathroom connects the two bedrooms and features a shower over the bath. Additionally, a loft room provides excellent storage space and is accessed by a fixed staircase from the main bedroom.

Outside, the garden enjoys a favoured westerly aspect and includes one brick-built and one timber potting shed, both ideal for extra storage.

In our opinion, early viewing is essential to fully appreciate the condition and charm that this character cottage has to offer!
