DESCRIPTION

This beautifully presented and versatile home has been tastefully and thoughtfully modernised by the current owners, creating a property that is ready to move straight into.

The front door opens into a bright and welcoming entrance hall, with stairs rising to the first floor and doors leading to the principal reception rooms. The spacious sitting room with a multi fuel burning stove, provides a comfortable and inviting living space, enjoying a pleasant outlook over the garden.

The dining room also overlooks the garden and offers an excellent setting for entertaining family and friends.

The well-appointed kitchen is fitted with a range of base units and drawers, complemented by granite worktops. It features an inset sink, space for a range cooker with an extractor hood above, and space for a dishwasher. The kitchen flows seamlessly into a generous utility room, fitted to match and providing additional storage, along with space and plumbing for further appliances. From the utility room, doors lead to both the parking area and the enclosed rear courtyard.

Completing the ground floor is a family bathroom and a double bedroom, which benefits from sliding doors opening directly onto the rear courtyard.

The first floor comprises a landing with built-in eaves storage cupboards, a shower room, and two further bedrooms. The principal bedroom enjoys an outlook to the front and also benefits from useful eaves storage.

OUTSIDE

A particular highlight of the property is its beautifully landscaped garden, thoughtfully redesigned by the current owners to create an attractive and well-balanced outdoor space. The main garden is predominantly laid to lawn and is complemented by a variety of mature shrubs, ornamental trees and well-stocked flower beds, together with a paved terrace that provides an ideal setting for outdoor dining and entertaining.

To the side of the property, a productive vegetable garden has been established with a selection of raised beds, while to the rear an enclosed courtyard offers a private seating area and provides access to a useful workshop with power and lighting.
