Not your average apartment... this stylish split-level home delivers the space of a house, the finish of a show home and not one, but two private balconies.

Beautifully presented throughout and arranged over two floors, this impressive two-bedroom apartment offers a fantastic blend of contemporary design, practical living and a layout that simply works. With over 100 years remaining on the lease, generous room sizes and high-spec finishes throughout, this is one you'll want to see in person.

The moment you step through the front door, it's clear this isn't your standard apartment. The welcoming hallway features a sleek glass balustrade staircase, a striking contemporary radiator and loft access, setting the tone for the stylish accommodation that follows.

The lounge/diner is the heart of the home and a space you'll instantly picture yourself enjoying. Beautiful wooden flooring flows throughout, while smart recessed spotlights create the perfect atmosphere whether you're hosting friends, enjoying a quiet evening or binge-watching your favourite series. Double doors open onto a generous brick-built balcony, creating a seamless connection between indoor and outdoor living. Morning coffee? Evening glass of wine? This balcony has both covered.

The separate kitchen is every bit as impressive, boasting sleek high-gloss cabinetry and a range of integrated appliances, creating a space that's as practical as it is stylish. Whether you're cooking up a Sunday roast or convincing everyone that takeaway was actually homemade, this kitchen is ready for it all.

One of the cleverest features of the home is the downstairs WC. It's so generously sized that it's currently being utilised as a utility room as well, keeping laundry neatly tucked away and freeing up valuable space elsewhere. It's one of those little details you'll appreciate every single day.

Upstairs continues to impress.

The family bathroom has been finished to an exceptional standard, fully tiled with a luxurious contemporary suite featuring both a full-sized bath and a separate walk-in shower. Whether you're grabbing a quick shower before work or enjoying a long soak after a busy day, this room delivers a little touch of everyday luxury.

Both bedrooms are excellent sizes and benefit from built-in storage cupboards complete with sliding doors, a thoughtful feature that maximises every inch of floor space. The principal bedroom enjoys direct access to its own private balcony, offering a peaceful retreat to enjoy a breath of fresh air before starting the day or winding down in the evening.

Excellent storage can be found throughout the property, while the split-level layout naturally separates the living and sleeping accommodation, giving the home a far more spacious and house-like feel than many apartments on the market.

With stylish interiors, two balconies, clever design features and a long lease, this is a property that's ready for you to move straight in and simply start enjoying.
