Welcome To Solent Road

A fantastic opportunity to secure a spacious and versatile four-bedroom semi-detached family home on the ever-popular Solent Road, offering generous living space, excellent storage, and exciting potential to grow with you over time.

Set within the highly sought-after Solent and Springfield school catchment areas, this is a home perfectly suited to modern family life.

From the moment you step inside, the welcoming entrance hallway offers a sense of space, with room to incorporate additional storage. To the front, the bright south-facing lounge is bathed in natural light through a beautiful bay window, with a charming log burner creating a cosy focal point for evenings in.

At the heart of the home, the central dining room — also featuring a bay window — provides a wonderful space for family meals, celebrations and entertaining. To the rear, the kitchen is fitted with new appliances including an oven, hob and extractor, and opens through to a generous conservatory space. This versatile area incorporates a utility space, downstairs WC and access to the former coal store, while offering fantastic potential to create an extended open-plan kitchen/diner — the kind of sociable family hub many buyers aspire to (subject to any necessary planning permission).

Upstairs, the first floor offers three bedrooms, including two comfortable doubles with built-in wardrobes, along with a third bedroom featuring built-in storage — perfect as a nursery, home office or child's bedroom. The family bathroom is well

maintained and fitted with a shower cubicle.

The loft conversion on the second floor adds further flexibility, currently arranged as two rooms. The main front room is spacious enough to serve as a fourth bedroom, while the second room works well as additional storage and offers scope to create a dressing room or potential en-suite. Eaves storage is accessed throughout, ensuring practicality is not compromised.

Outside, the property continues to impress. The driveway provides off-road parking for multiple vehicles, while the rear garden is a good size and mainly laid to lawn — ideal for children to play or for summer gatherings. To the side of the house, a covered and enclosed storage area offering secure space for bikes, bins and outdoor equipment.

Offered with no onward chain, this is a wonderful opportunity to secure a long-term family home in a prime location, with space to personalise and adapt as your needs evolve.
