Outbuilding

Located in a highly sought-after central position, this extended three-bedroom detached home offers spacious living options. The property benefits from off-road parking and a double garage. Beneath the garage is a substantial outbuilding, accessed via the rear garden, ideal for use as a home office, studio, or hobby space. The patio garden is designed for easy maintenance. The home also features a range of energy-efficient upgrades, including solar panels with battery storage and an air source heat pump, helping to reduce running costs and improve year-round efficiency. The ground floor comprises a welcoming entrance porch, a convenient W/C, and an impressive extended kitchen with built-in appliances. A separate utility room with direct access to the garden adds further practicality. To the rear, a bright and generously sized open-plan living and dining area overlooks the low-maintenance patio garden. Upstairs, there are two well-proportioned bedrooms, an additional bedroom, a modern family bathroom, and an additional separate shower room.
