Jodie says:

I think this would make the most wonderful family home. Situated in the heart of Hilton, this fantastic five-bedroom detached property has been thoughtfully extended to create impressive additional space both upstairs and downstairs.

You're welcomed by a spacious hallway that flows beautifully into both reception rooms and provides access to the kitchen-diner. The main living room is bright and airy, with a generous bay window that fills the space with natural light. From here, double doors open into the expansive kitchen-diner, offering the option of flexible open-plan living. It's a brilliant space — easy to imagine family mealtimes, busy mornings, or hosting friends. With the added benefit of a separate utility room and WC, it's incredibly practical too.

From the kitchen-diner, patio doors lead into a generously sized conservatory, the perfect spot to unwind and enjoy views of the garden. The second sitting room offers fantastic versatility, whether you need a study, playroom, snug, or home office. Upstairs certainly doesn't disappoint. There are five well-proportioned bedrooms and a modern family bathroom. The master bedroom enjoys the luxury of a walk-in wardrobe and en-suite, while the second bedroom also benefits from fitted storage and its own en-suite.

Outside, the property continues to impress with a beautifully maintained, generous garden featuring both lawn and patio areas. There is a patio either side of the large conservatory. The double garage provides excellent storage, and with ample driveway parking, this home truly ticks every box for the ideal family home".

A message from the seller:

“Selling our house is heart wrenching but we are now advancing in age, therefore we feel the need to downsize as we no longer require a house of this size. We have lived here for over 30 years and have made many improvements and a large extension in 2012. We have thoroughly enjoyed living in this village, bringing up our children and now our grandchildren that are also enjoying what their parents enjoyed as children”
