This fine home is nestled in the centre of Nordham, a beautiful and highly desirable residential area forming part of the village of North Cave and being close to the Hotham Hall Estate and its stunning surroundings. The house was originally built by the highly respected local developer Ispace to an exacting high specification providing all the luxuries of modern living. It has been further enhanced by the addition of a fabulous extension creating a stunning open plan kitchen/dining/living space with bi fold doors opening out to the entertaining area and a log burner for those cosy winter nights. In addition to this 'day to day' space, there are three further reception room/areas and practicalities are catered for by a utility room and downstairs cloaks/W.C.. Overall there are up to 6 bedrooms available across the upper two floors being served by four bath/en-suites. Features also include underfloor heating through, double glazing, a high insulation factor, integrated audio system, quality kitchen and bathrooms, all creating a home with everything you could wish for. The property stands proudly on Nordham with a stone wall to the front and driveway leads through an automated gated entrance to extensive parking and the double garage which has addition parking beyond. Directly to the rear of the house lies a superb outdoor entertaining/relaxing space with paved and decked terraces including a hot tub. A lawn extends beyond. A particular feature is the amount of land that the property has which extends to around 3 acres with a central grassed field (could easily become a paddock) of around 1.165 acre being surrounded by woodland to its perimeters. In all, an absolute delight of a property which stands in such a beautiful location between North Cave and Hotham which provides easy links towards Beverley, York or the national motorway network.
