The hall leads through to a bright double aspect sitting room with sliding patio doors opening on to an inviting south west facing raised patio with landscaped garden beyond. The living room is complemented by a separate dining room, which lends itself to being used as a fourth bedroom, and is adjacent to the Manhattan kitchen, featuring a range of wall and base units, with space for white goods, a cooker and a breakfast table, complete with a handy external door.

Conveniently, there is a spacious downstairs bedroom with ample built in storage and views over the garden which is served by a modern bathroom. On the first floor, there are two double bedrooms overlooking the garden which are served by a modern shower room along with a door from the landing leading to easy access walk-in eves storage.

Outside the property includes ample driveway parking for a number of cars, leading to a double garage. To the rear, the property boasts a well screened and carefully landscaped enclosed garden with a south westerly aspect providing patio with space to entertain, flower beds for interest and mature boundary shrubs for privacy.
