Situation

Higher Darracott Farm occupies a commanding position, enjoying a rural setting and uninterrupted, far-reaching views over unspoilt countryside, approximately 2 miles from the northern edge of the provincial, market town of Great Torrington. The town of Great Torrington gained strategic significance and historical importance in the 17th Century, during the English Civil War and there is evidence of settlements in the close and surrounding area dating from the Iron Age to the Medieval period but the town is possibly more affectionately known to many, as the heart of 'Tarka County' in the novel 'Tarka The Otter'. The town itself is surrounded by Commons, with over 360 acres of nature walks and offers an excellent range of daily amenities and facilities, including: Pannier market, arts centre, supermarkets, leisure facilities, a broad range of independent and artisan shops/businesses and schooling for all ages.

The port town of Bideford (6 miles) extends a wider range of facilities; including independent/artisan shops, banks, pubs/restaurants/cafes and schooling for all ages (public and private) and several supermarkets. The coastal resorts of Westward Ho! Appledore and Instow (all approx. 9 miles) offer a mixture of sandy beaches, fine pubs/restaurants and a historic quay, amongst other amenities and attractions. The regional centre of Barnstaple (9 miles) offers a large centre of commerce, The A361 (North Devon Link) provides brisk passage in/out of the region to the M5 motorway and Tiverton Parkway train station (London Paddington 1h 57m).
