Situated in the very popular Bathampton area to the east of the city of Bath, this detached bungalow sits in a very large plot. Elevated from the main road with a driveway providing off street parking (a garage was in situ in the past), central path through the front gardens leading to the bungalow. The rear gardens are vast and provide several outbuildings, one of which could be utilised as a work from home unit, the views from the rear garden are beautiful and stretch to over look Solsbury Hill.

The detached bungalow is of a good size, with living room to the front through to the dining room, 25' fitted kitchen/breakfast room, two double bedrooms and a fitted bathroom suite. The footprint of the bungalow would allow subject to planning permission (STPP) for the new buyer to go into the roof space to provide a further two bedrooms and an ensuite bathroom, eventually turning it into a four bed roomed family home (see agents for further details).

Overall this is a wonderful opportunity for the buyers looking for somewhere to put their stamp on and to enjoy the beautiful rear gardens, of which are the real feature of this home.

Agent Note: Please note that an AML fee is chargeable to the buyer once an offer is accepted to cover the cost of carrying out the required identity and anti-money laundering checks. Once these checks have been completed, the fee cannot be refunded, even if the property purchase does not go ahead.
