Summary

19 Cambridge Road is a deceptively spacious and well-presented three double bedroom first-floor purpose-built flat in the heart of Worthing. A shared driveway leads to the private front door, with an allocated off-road parking space and private front garden. The garden enjoys afternoon and evening sun, while a shed in the side passage provides useful additional storage.

A wide staircase leads to a good-sized gallery landing, where there is a further large storage cupboard. There is also a door leading to a separate stairwell, which provides access to a private side door opening onto the front of the property. This houses the washing machine and tumble dryer, along with additional storage above.

The Art Deco-style kitchen has been refitted with grey wall and base units, attractive worktops, white metro-tiled splashbacks, exposed brickwork and a bay window. A doorway leads through to the formal dining room, which also has a bay window, high ceilings and picture rails. The bathroom has a bath,

separate shower and WC.

There are three generous double bedrooms, all bright and airy, with the principal bedroom enjoying a southerly aspect. To the rear is a large lounge/diner, also with a southerly aspect, providing a bright and spacious main reception room. This flat offers versatility, space and convenience for the next homeowner.
