Client Testimonials

Initially the sales team were the most engaged and proactive of the 5 local agents I contacted about selling the property. The professional way they contacted me, trying to secure the right to sell, gave me confidence that they would be equally professional and proactive with prospective buyers. It became apparent that the sales team worked very well together and communicated effectively between themselves, so that details of my property were known by the other team members. The property was valued competitively and then was sold (subject to contract) extremely quickly.

We had a fantastic experience with S J Smith Estate Agents in Staines. The team were incredibly helpful and attentive from our very first viewing all the way through to completion. Their professionalism, clear communication, and support made the whole process smooth and stress-free. Highly recommend!

These guys are awesome and I wouldn't have moved without them! They were really supportive throughout the whole process and kept in constant contact with me with updates/feedback, guided me step by step throughout the complicated, stressful process of moving. Professional, pro-active, friendly and always available to speak to. The Staines team are truly lovely people who are top of their game! Don't go anywhere else if you are selling/buying a house!

We can only recommend S.J.Smith for your property sales in Staines. We had been badly let down by another estate agent and they were really happy to take us in and pull out all the stops for us - without ever charging any extras like the other estate agent tried to do with us! The team were always polite, respectful and very patient with all our queries, kept pushing our property for viewings and got us through a successful sale which aligned perfectly for both the buyers and us. They were knowledgeable and personable as well, they're like a small family who understand your needs and your worries. Very far from the corporate feeling that other estate agents give.

S J Smith Staines were amazing in the whole process of selling our house from start to finish. The team has always kept us informed of everything going on and always called when he said he would even if it was only to say he didn't have an update. He negotiated us a fabulous price on the property we purchased and made sure progress of the sale was moving along as it should be. I would use them again in a heartbeat. If I could have given more than 5 stars I most certainly would have.
