13 Broad Street

Windermere, LA23 2AB

An increasingly rare opportunity to acquire 13 Broad Street, a Victorian mid-terraced Lakeland stone and slate property, ideally positioned within level walking distance of the heart of Windermere. Dating from the late 1800s, the property retains a number of attractive original features, including deep skirting boards, high ceilings and decorative cornicing. However, it now requires a full and comprehensive programme of renovation and modernisation throughout, offering purchasers the chance to restore and reconfigure the accommodation to their own specification and standards. The accommodation briefly comprises a spacious sitting room, dining room, kitchen, three double bedrooms, and a family bathroom with a separate WC. This traditional Lakeland property presents an excellent opportunity for buyers seeking a complete refurbishment project, whether for use as a holiday let investment, a bespoke second home or weekend retreat, or a well-located permanent residence.

The property enjoys a highly convenient setting just a short distance from the centre of the popular village of Windermere, with its wide selection of shops, restaurants, cafés and bars. A variety of local attractions are within easy reach, along with excellent transport links including rail and bus services, as well as access to lake cruises, providing superb connectivity to explore the wider Lake District National Park.
