Situated on a generous corner plot in a sought-after residential location, this four-bedroom, two-bathroom detached home offers excellent potential for modernisation and extension (subject to the usual permissions).

The ground floor provides well-proportioned living accommodation, including a bright and spacious living room, a separate dining room, and a substantial kitchen/breakfast room. The kitchen was fully re-fitted approximately 10 years ago to an exceptional standard and remains a standout feature of the home, offering high-quality units, ample worktop space, and a practical layout ideal for family living. A utility room, WC, and useful storage complete the ground floor.

Upstairs, the property offers four bedrooms, including a particularly generous principal bedroom, along with a family bathroom providing flexibility for growing families.

Externally, the property occupies a large and enviable corner plot, offering excellent scope to extend or reconfigure (STPP). The garden wraps around the property, providing plenty of outdoor space, along with a detached workshop/store that could suit a variety of uses.

While the kitchen has been thoughtfully upgraded, the remainder of the property would benefit from modernisation, presenting an exciting opportunity for buyers to create a home tailored to their own tastes and requirements.
