Situated in the village of Llangoedmor just outside the popular market town of Cardigan, this impressive three/four-bedroom detached bungalow features a separate dining room and lounge, plus not one but two additional living spaces — an attached one-bedroom apartment and a further detached one-bedroom annexe. Perfect as a family home, it offers fantastic flexibility for multi-generational living, guest accommodation, or excellent income potential.

The bungalow briefly comprises an entrance hallway with doors leading to the reception room and a utility room, which houses the oil boiler. The hallway also provides access to the kitchen, fitted with a range of units and enjoying a window overlooking the front of the property. Adjoining the kitchen is the dining room, offering excellent potential to be opened up to create one space for socialising and dining. There is a exceptional sun room with a vaulted timber-clad ceiling, underfloor heating and windows on three sides, allowing for plenty of natural light to flood into the property. The lounge is approx. 6m in length with double aspect windows and a gas feature fireplace. To the rear of the bungalow are three double bedrooms, two with built in wardrobes. There are also two bath/shower rooms.

Attached to the back of the bungalow there is an apartment. This comprises of an entrance porch with a door into the open plan kitchen / living / dining room. From here there is access to the bedroom and an ensuite shower room. There is also a separate basement workshop area with power and lighting.

At lowest part of the grounds there is a further detached one bedroom annexe. This one has been most modernised with a fitted kitchen / living room, one bedroom and a wet room. There is excellent scope to fence and divide the grounds and parking areas, allowing each property to enjoy its own private garden and dedicated space.

The property is situated within a generous plot with mildly sloping mature grounds laid to lawn and planted with flower beds, mature shrubs and fruit trees offering a beautiful outdoor space to be enjoyed throughout the seasons. The grounds benefit from a greenhouse, and a lean-to storage area. There are parking areas at the front, with a driveway extending to additional parking spaces at the rear.

Llangoedmor is a village 2 miles east of Cardigan. Cardigan town is a bustling market town dating back to 1093, situated on the edge of the estuary of the River Teifi. A major trading port and ship building area back in the Middle Ages Cardigan now offers traditional shops and cultural centres for residents and visitors to experience. With much to offer, the town boasts a Castle, a primary and secondary school, a further education college, major supermarkets and superstores, bank, several public houses, leisure centre, restaurants, coffee shops and many other local retailers. Easy access from the town to many sandy beaches including Poppit Sands, Mwnt and many others each providing access to the beautiful Ceredigion Coastal Path.
