Set in an established location, this semi-detached is an ideal family home with a primary school just a stones throw away, or ideal home to downsize to, with a flexible layout featuring ground and first floor bedrooms.

The house stands on a good size garden plot with a long drive leading down the side of the property to an oversized detached garage - perfect for a variety of uses.

The front door opens into the hall which leads into a light and spacious lounge with window framing views to front.

To the left is a well appointed breakfast kitchen with an integrated oven and hob, space for further appliances, window to front and a useful side door to the driveway.

There are two ground floor bedrooms, the first of which could also be used an extra reception room with French doors to the garden. The second is situated off an inner hall and is a generous double.

Completing the ground floor is a handy utility room/guest WC with base units, space for a washing machine and door to side.

To the first floor, the landing has a good size storage cupboard and a door to a large master bedroom with built-in wardrobes, plus a shower room with a built-in cupboard.

There are gardens to both front and rear, with a side entrance via a gate from the drive.
