This charming three bedroom family home has been very well-maintained over the years and provides comfortable, practical accommodation, which is arranged over two floors. Whilst the property is perfectly serviceable as it stands, it would now benefit from some modernisation, giving purchasers the opportunity to update and personalise the house to their own requirements, subject to the relevant consents.

The ground floor accommodation includes an entrance porch opening into an entrance hall, which has stairs to the first floor with storage under and access to a cloakroom with WC. Benefitting from a dual aspect, the open plan living/dining room has a bay window to the front and a sliding door providing views of and access to the rear garden. The galley kitchen/breakfast room also has a sliding door to the rear garden and includes a range of fitted units and spaces for appliances.

On the first floor, there are three bedrooms, two of which are double in size, with fitted wardrobes. Stylishly refitted, the comfortable family bathroom is extensively tiled and has a four-piece suite comprising a panelled bath, a walk-in shower, a pedestal wash basin, a WC and a heated towel rail.

Outside, the property benefits from a paved driveway to the front providing off-road parking for up to three vehicles. A wide side gate leads to the garage, which has power connected. The delightful rear garden enjoys a southwesterly aspect and measures around 92ft in length. It is predominantly laid to lawn, with a patio seating area, shrub borders, rockery, summer house and a timber shed.
