The Property

Situated in a quiet private development on the edge of the popular village of Bere Alston, this modern property offers plenty of natural light throughout. The corner property first welcomes you into a large entrance hall with access to the all important downstairs WC. The kitchen, overlooking the rear garden, has a larder, plenty of room for a breakfast table and is situated adjacent to the separate dining room offering potential to open into one large dual aspect room. The living room can be found on the opposite side of the hallway and looks over the front at one end, and has french doors opening to the rear garden at the other. Upstairs are three bedrooms, two large doubles, one with an ensuite shower room, and one single which would make a great nursery or study with a view of the River Tamar in the distance. These are all served by a modern family bathroom.

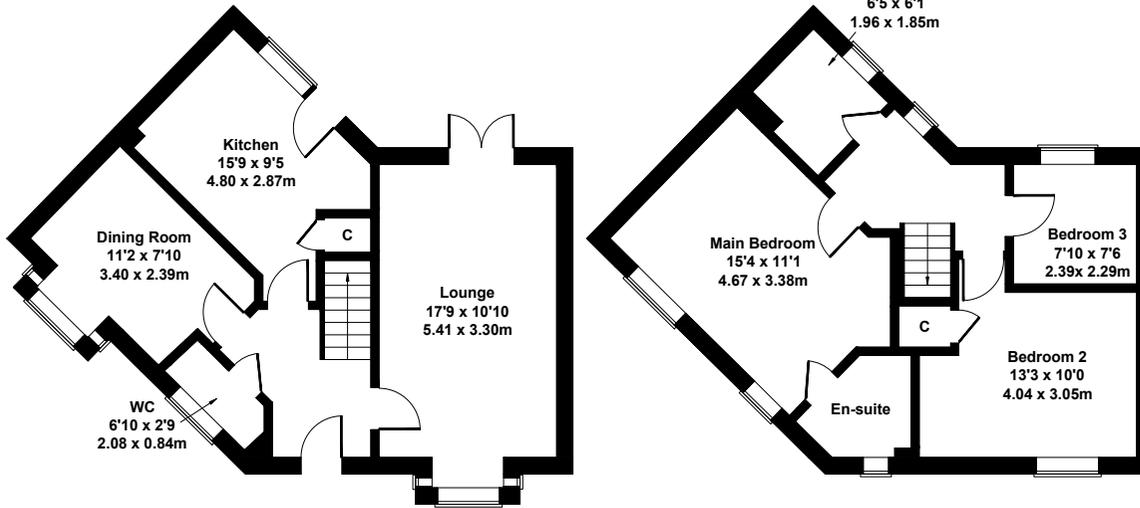

Outside

Accessed from the kitchen and the living room, the sheltered corner garden has a raised decked area making the perfect spot to enjoy a cuppa in the warmer weather. Steps lead to a lower gravelled area and a gate that leads to the parking area and car port at the rear.
