Property Description

Connells are delighted to bring to the market this two-bedroom ground-floor apartment, ideally situated in the highly desirable Roundham area. Offering its own private gardens, resident parking and fantastic potential, this property represents a truly excellent buy and a rare opportunity for a wide range of purchasers. Please note the apartment requires modernisation throughout, allowing the new owner to fully personalise the space to their own taste and requirements.

On Approach

From the moment you approach the property, it is clear that this home offers something special. Set within a well-maintained residential development, the apartment benefits from residents' parking, providing convenience and peace of mind. Entry to the building is via a secure communal entrance door, ensuring safety and privacy. However, what really sets this apartment apart is the additional access through your own private back gate, which leads directly into your personal garden - a rare and highly sought-after feature for an apartment in this location.

On Entrance

Stepping inside the property, you are welcomed into a central hallway that provides access to all principal rooms. The layout is practical and well-proportioned and, while the property requires modernisation throughout, it offers excellent scope for improvement and the opportunity to create a home perfectly suited to your lifestyle.

Lounge

15' 9" x 12' 8" (4.80m x 3.86m)

The main living space is a bright and spacious double-aspect lounge, flooded with natural light thanks to its pleasant outlook over the private gardens. This inviting room offers ample space for comfortable lounge furniture as well as room for a small dining table, making it ideal for both everyday living and entertaining guests. The outlook to the garden creates a calming and private atmosphere, perfect for relaxing after a long day.

Kitchen

12' 6" x 7' 7" (3.81m x 2.31m)

Leading on from the lounge is a galley-style kitchen, which also benefits from direct access to the garden. Although the kitchen requires modernisation throughout, it provides a solid footprint with excellent potential to be transformed into a contemporary and functional space. The garden access enhances the appeal, allowing for easy indoor-outdoor living, whether enjoying a morning coffee or dining outside during warmer months.

Master Bedroom & Ensuite
