Nestled in the heart of the thriving Shropshire village of Hinstock, Chilcote is a beautifully presented detached family home built in 2019, combining modern, energy-efficient living with the warmth and convenience of true village life.

Extending to approximately 1,787 sq ft, this spacious four/five-bedroom home occupies one of the most desirable positions in the village. The highly regarded primary school, rated "Good" by Ofsted, is located just four doors away on the same side of the road, making the school run less than a one-minute walk.

Directly opposite the property, and also within moments on foot, are the village shop and Post Office, community hall, children's park, tennis courts, football fields, fishing pond and The Falcon, Hinstock's recently renovated and much-loved community-run pub. Whether picking up essentials, meeting friends for a drink or watching the children enjoy the park, everything that makes village life so appealing is quite literally on your doorstep.

Hinstock is renowned for its welcoming atmosphere and strong community spirit, with regular events at both the village hall and pub, including festivals, seasonal celebrations and social gatherings throughout the year. It is a place where neighbours know one another and newcomers quickly feel at home.

To the rear, Chilcote enjoys a particularly private garden with uninterrupted views across open countryside. The outlook is a daily delight, with beautiful sunrises and frequent sightings of foxes, pheasants and a variety of birdlife. For keen gardeners, nature lovers or anyone seeking peace and privacy, it is an exceptional setting.

The accommodation has been thoughtfully designed to suit modern family life. The ground floor includes a spacious lounge, a versatile second reception room ideal as a study or fifth bedroom, a high-specification dining kitchen, utility room and shower room. Upstairs, the principal bedroom features a contemporary en-suite shower room, alongside three further generous bedrooms and a large family bathroom.

The home is also well suited to remote working, with a dedicated study and additional space on the first-floor landing that could serve as a second work area. Broadband is currently provided via FTTC, with full fibre broadband planned for the village.

Designed with sustainability in mind, the property benefits from solar photovoltaic panels, excellent insulation, a recently installed air source heat pump and a new electric vehicle charger.

Outside, there is ample off-road parking for up to four vehicles, a detached garage and wraparound gardens, with the fully enclosed rear garden offering a safe and secure space for children and pets.

Despite its peaceful village setting, Hinstock is exceptionally well connected. Situated on the A41 between Newport and Market Drayton, it provides convenient access to Telford, Stafford, the M54 and M6, while mainline rail services are available from Stafford, Shrewsbury and Wolverhampton.
