Mayals is one of Swansea's most sought after residential locations, offering an exceptional balance of coastal beauty and everyday convenience. The beaches of Langland and Caswell are close by, along with scenic countryside walks, highly regarded schools, local cafés and excellent access to Swansea city centre. It is a setting that combines a relaxed lifestyle with a strong sense of community.

Offered for sale with no onward chain, this three bedroom semi detached home presents an excellent opportunity for those looking to create a home of their own. Requiring updating throughout, it offers tremendous potential in a location where opportunities such as this are increasingly rare.

The accommodation includes a welcoming hallway, lounge, dining room, kitchen and cloakroom on the ground floor. Upstairs are three well proportioned bedrooms, a shower room and a separate cloakroom.

A particular highlight is the generous plot of approximately 0.8 acres, providing wonderful outdoor space with plenty of scope for landscaping or future enjoyment, subject to any necessary consents. To the front is a lawned garden with private parking for several vehicles leading to the rear. The enclosed rear garden is laid to lawn with a detached garden shed offering useful storage.

A property with immense potential, generous grounds and an enviable location, this is an exciting opportunity to create a home in one of Swansea's most desirable neighbourhoods.
