The registered leasehold title is Title Absolute.

The annual ground rent is understood to be approximately £30 per annum, subject to final confirmation from the original lease documentation.

The 2015 Transfer contains two principal restrictive covenants relating to:

- alterations or additions which materially interfere with light or air to adjoining retained property.

No restriction has been identified within the 2015 Transfer preventing the property from being subdivided or sold in separate parts.

With approximately 847 years remaining, nominal annual ground rent and Title Absolute, this exceptionally long leasehold interest is often regarded in commercial property terms as a “virtual freehold”, although legally the tenure remains leasehold.

Full title documentation will be available to genuinely interested purchasers and their legal advisers.
