There is nowhere else on Sal that offers such expansive, uninterrupted, elevated views of the ocean, white sand beaches, tropical gardens and swimming pools as a Paradise Beach penthouse. The award-winning architecture, construction quality and sheer expanse of living space, indoor and outdoor, give this duplex the absolute “wow” factor.

This penthouse is on the first line; the closest to the ocean constructed. Only villas, at a lower height, stand between the property and the sea, so the views are uninterrupted in perpetuity.

As soon as you enter the west-facing lounge and see the wide stretch of ocean – with Bikini Beach to your left and Lion Mountain to your right - you will realise that you are in an apartment in a league of its own. And that is before you even go upstairs! The staggering, 180°, unobscured ocean views are repeated from each of the three bedrooms. Sightings of passing yachts, the surf and the mountains are guaranteed daily, but you may also have the opportunity to see whales in season. You can hear the ocean from your two balconies.

This penthouse has never been lived in, and so is ready for its new owner to put its stamp on it. Sold unfurnished but with fitted bathrooms, kitchen and wardrobes in the bedrooms, you will be able to furnish and decorate to your taste.

With top quality, solid construction, good furniture, fixtures and fittings, this new-to-market duplex represents an exclusive retreat from the hustle and bustle of Santa Maria and the louder west coast hotel resorts. Designed so that the outside space is an extension of the indoors, the apartment, laid to tile throughout, comprises:

Set on the glorious, untamed west coast of Sal, just 5 minutes from Santa Maria and 15 minutes from the airport, Paradise Beach is a developing resort with huge potential. Directly opposite the 18-hole golf course to the east and Melia Dunas to the south, it covers 283,000 square metres of prime coastal real estate - the equivalent of 19 football pitches. With immaculate gardens and excellent swimming pools, it is a tranquil retreat from the hustle and bustle of Santa Maria, with some of the most spacious accommodation and best sea views of any resort on Sal. Paradise Beach is loved by professionals, fishermen, walkers and surfers, to name but a few - those seeking a more laid back,, tranquil pace of life. It is not packed with kids' clubs, bars, noisy pools, clubs and restaurants, but all are available within a short walk at the neighbouring Melia resorts and Bikini Beach.

Plans are well underway for completion of the resort with a hotel and further amenities, meaning that this could be a shrewd investment for the medium to long term. For now, however. Paradise Beach offers excellent value for money and a glorious retreat from the stresses of everyday life.
