Understood to be built in the early 17th Century, Galleon Cottage is a charming three bedroom end of terrace character cottage in the heart of Brixham, and we are delighted to offer it to market with NO ONWARD CHAIN.

Church Street is one of Brixham's most highly regarded quintessential streets - famed for its perfect position to the town and harbour and enjoying a very pretty street scene with the lovely pastel colour cottages leading towards the water's edge and the presence of All Saints Church in the background. The heart of the port is literally 5 minutes walk away with the Southwest coastal path leading through the winding harbour up to Berry Head Country park to one side and Brixham's famous coves on the other side. There is something for all the family to enjoy near by - from crabbing on the harbour's edge to some of Torbay's finest restaurants and pubs all to hand.

The property itself opens through a traditional stable door into a large living room, with characterful cottage beams and a large open fireplace. There is a traditional bay window overlooking the street scene and stairs leading up to the first floor. Also on the ground floor is the kitchen area to the rear. Open to the lounge, and equipped with a Bosch oven and 4-burner gas hob. There is also a rear porch leading out to the rear garden, and a very handy downstairs WC, where the gas combi-boiler is also housed.

Upstairs, in the first floor, there are two good size bedrooms, including the dual-aspect double bedroom to the front. Other bedroom is of a quirker shape, but is versatile and full of character. Both bedrooms offer good built in storage options. Up on the second floor, there is a further large double bedroom with a pretty outlook toward the harbour and built in storage. There is also a modern family bathroom, again with storage and a smart 3-piece suite.

Outside, there is a wooden courtesy gate to the side, providing access to the side of the property. There is a stone built outhouse - ideal for converting or for keeping as general garden store. There is a sunnier-than-expected rear garden (shared with number 3) over two levels to the rear which is unusual for this part of town.
