Situated within the desirable Goodwin Close development in Chelmsford, this well-presented three-bedroom apartment is available on a short-term basis only, offered with an initial 3-month fixed tenancy agreement, followed by a rolling contract thereafter. This makes the property ideal for professionals, contractors, or anyone requiring flexible, temporary accommodation.

The apartment comprises a spacious and light-filled open-plan living and dining area, seamlessly connected to a modern fitted kitchen with ample storage and worktop space, creating a practical and sociable living environment. The principal bedroom benefits from a private ensuite shower room, while the two further bedrooms are generously sized and versatile, suitable for guests, home working or family use. A contemporary family bathroom serves the remaining bedrooms.

Additional features include allocated parking, secure communal entrance, and well-maintained communal areas. The property is conveniently located close to local amenities, green spaces, and excellent transport links, with easy access to Chelmsford city centre and mainline rail services.

Available for immediate occupation and offered strictly on a short-term let basis, beginning with a 3-month fixed term and continuing on a rolling basis thereafter.
