## Property Description

Connells Southbourne are pleased to offer this characterful two double bedroom apartment situated ideally within Westbourne, just steps away from the ever popular high street.

The building dates back to the late 19th century and was originally known as Carlisle House. It retains much of its original character, including high ceilings and generously proportioned rooms - unusually spacious and bright for a two-bedroom apartment - creating a sense of elegance and period charm that is increasingly hard to find.

The apartment has been meticulously modernised to offer high quality finishes throughout. Comprising a kitchen / breakfast room, a principle bedroom offering an en-suite shower room, a second bedroom that provides ample space for guests or a home office.

Additional benefits include the Share of the Freehold, no onward chain and an allocated parking space.

This property is ideal as a first time purchase, an investment property, or a stunning modern apartment to use as a secondary holiday home.
