Boasting a delightful wrap-around mature garden, an enviable outdoor entertaining area, and stunning views over open countryside, this exceptional property enjoys a rural location, whilst still having easy access to commuter links and amenities.

Cheesemans Barn occupies an enviable plot, which also takes in views in all directions.

Carefully extended over the years, it now offers contemporary living space for modern family life, with large double bedrooms, a stylish kitchen at the heart of the property, and three reception rooms.

A covered porch leads to the entrance hallway, which also has stairs to the first floor and a cloakroom.

The sitting room is dual aspect, with exposed beams, oak flooring, and an impressive Inglenook fireplace. With French doors to the garden, it makes for the perfect space for entertaining.

The dining room is adjacent to the kitchen. Also dual aspect, with views over the garden, oak flooring, and plenty of room for a large table and chairs, it offers a stylish setting for both formal dining and relaxing weekend lunches alike.

The kitchen itself has been refitted with a generous number of painted country-style floor and eye-level units, integrated appliances, including a Rangemaster oven, a traditional Belfast double sink, and a large central island, all complemented by quartz worktops.

A utility room with further storage is also accessed from the kitchen.

A third reception room accessed from an inner hallway next to the dining room offers yet further flexibility to be used as a family room, large study, games room, or just a quiet space to enjoy a good book.

The hallway at the end of the house also has a cloakroom and a

second set of stairs leading to the first floor.

The first floor is just as impressive, with five well-proportioned double bedrooms, each one is double aspect, and the principal bedroom has a walk-in wardrobe.

The views from the landing and bedrooms to the front of the property stretch for miles over open countryside, and showcase the exceptional setting this fabulous family home enjoys.

Two modern bathrooms serve the five bedrooms, with one featuring a stylish freestanding bath.
