5-bed barn conversion

Doddington Road

This exclusive barn style home on the outskirts of Brentwood, approx. 3,000sqft of luxurious accommodation, making it the perfect home for those seeking a peaceful countryside retreat. The property boasts modern amenities such as solar panels and underfloor heating, ensuring energy efficiency and comfort all year round.

This property has been built to a Passivhaus specification which is an international energy efficiency standard for buildings that aims to reduce the need for space heating and cooling. The standard is designed to create comfortable indoor environments, reduce a building's carbon footprint, improve health and wellbeing, and reduce energy bills. To achieve the Passivhaus standard, a building must meet five main principles: High quality insulation, heat control and robust windows, airtight construction, heat recovery ventilation, and thermal bridge free design. The energy performance rating for this home is 101%, which is exceptional efficiency with 100% low carbon rating.

Don't miss out on the opportunity to own this unique barn-style home in Brentwood, Essex.
