The development has an attractive appearance with the apartment we are marketing being positioned on the over passageway which leads through to the courtyard at the rear of the development. Being entered through the front entrance door on the left of the communal hall, the front door to the apartment is on the left hand side of the hall. The property derives the benefits of an efficient heating system and double glazing and the spacious accommodation has been neutrally decorated with wooden flooring throughout the living accommodation. In brief the accommodation includes a reception hall, off which there are two large built-in storage cupboards, the open plan living/dining kitchen which includes the exclusively fitted and equipped kitchen area, two double bedrooms, with the main bedroom having a shower en-suite and a range of built-in wardrobes. There is also the main bathroom positioned off the hall which has a white suite and part tiled walls. Outside there is a designated parking space the apartment and visitor parking and the well cared for gardens and woodland around the development and to the immediate rear of the apartment there is a door leading from the communal hallway to a secluded lawned area which is something of a sun trap which is well placed to be used by the apartment we are selling.

Coppice Park is situated for easy access to the shopping facilities provided by the nearby villages of Borrowash and Breaston and as well as a Co-op store, Borrowash has a Birds Bakery, a well known butchers and a fishmongers. There are Tesco and Asda supermarkets and many other retail outlets found in Long Eaton, an Asda at Spondon and Sainsbury's and Costco at Pride Park.
