There are some views that completely change the feel of a house, and this is one of them.

Set on the edge of Malborough, this end of terrace home looks straight out across rolling South Hams countryside, with open fields and hedgerows stretching away beyond the property.

Inside, the real surprise is the scale of the ground floor. The kitchen, dining area and sitting room flow together to create a wonderfully sociable open-plan space extending to almost 30ft. There is plenty of room to cook, eat and relax, while wide glazed doors at the rear draw in the light and lead through to a sunroom overlooking the garden.

Upstairs are two good double bedrooms with built-in storage, a modern family bathroom and a substantial additional room, currently used for storage, offering useful flexibility.

The outlook from the rear is particularly special. Rolling fields form the backdrop from both the house and garden, giving the property a sense of openness that is increasingly difficult to find.

Outside, the enclosed rear garden offers a low-maintenance space for sitting out, while a further garden lies to the front.

Malborough is brilliantly placed for enjoying the South Hams, with Salcombe just down the road and Hope Cove, beautiful beaches and the South West Coast Path all within easy reach.

A practical village home with a surprisingly spacious interior – and countryside quite literally on the doorstep.

Some white goods included, plumbing for dishwasher. Please note the Landlord may be able to offer some additional furniture items by negotiation. Available end August.
