If you're searching for an older style family home with flexible living space, convenient access to local schools, and excellent transport links, then 142 Spring Hill could be the perfect property for you.

Having been much loved by the current owner for many years, this property is now ready for a new family to make it their own.

Steps lead from the front driveway to the entrance, opening into a traditional hallway with stairs to the first floor and doors leading to the principal ground floor rooms.

To the front of the property, the welcoming living room features a traditional bay window overlooking the front garden and a feature fireplace, creating a comfortable space for both entertaining and cosy evenings at home.

To the rear, the dining area flows into a bright garden room, providing an ideal spot to relax and enjoy views of the garden. Patio doors open directly onto the rear garden, creating a seamless connection between indoor and outdoor living.

The hallway also provides access to a useful utility area and the kitchen, which is fitted with a range of wall and base units offering ample storage and workspace.

Upstairs, there are three well proportioned bedrooms, all served by a family bathroom. The attic has been boarded and benefits from two Velux windows, offering useful additional storage space and excellent potential for further development, subject to the necessary planning permissions and building regulations approvals.

Outside, the enclosed front garden features a lawn bordered by mature flower beds, while the driveway provides off road parking for several vehicles. The generous rear garden includes a raised decked seating area, perfect for al fresco dining and entertaining, together with a family friendly lawn and a vegetable plot to the side.

Packed with potential, this already spacious home offers an exciting opportunity for new owners to personalise and enhance the property. Subject to the necessary consents, there is also scope for further extension, as many neighbouring properties have already demonstrated.

Ideally situated opposite St Martin's School, the property is within walking distance of the shops and amenities of Worle High Street. Regular bus services provide easy access to Weston-super-Mare town centre, while excellent transport links connect you to the wider area and everything the town has to offer.
