Fronting an attractive private central green and tucked away within an exclusive cul-de-sac of just four detached homes, The Personal Agent are delighted to present this beautifully maintained family home, occupying one of the most peaceful and rarely available positions within the highly regarded Clarendon Park private estate.

Cherished by the current owners for 20 years, this is a home that has been truly enjoyed. The adjoining central green has provided a wonderful extension of the garden, offering children a safe space to play and explore before leading directly through to the open spaces of Horton Country Park. It is this unique setting, combined with a strong sense of community and tranquillity, that makes this such a special place to call home.

Beautifully presented throughout, the property immediately impresses from the moment you step inside. A welcoming central entrance hall enjoys uninterrupted views through the home via striking bi-fold doors, creating an abundance of

natural light and a wonderful first impression.

The spacious double-aspect kitchen/dining room is ideal for everyday family life and entertaining, while the generous triple-aspect living room enjoys a delightful outlook over the green and bi-fold doors opening onto the rear terrace, creating a seamless connection between inside and out. A downstairs cloakroom completes the ground floor.

Upstairs, the principal bedroom enjoys lovely views across the central green and benefits from a beautifully refitted contemporary ensuite shower room. Three further well-proportioned bedrooms are served by an impressive family bathroom. Both the bathroom and ensuite were tastefully modernised approximately two years ago to a high standard.

The south/west-facing garden has been thoughtfully landscaped to create a superb outdoor entertaining space. A generous paved terrace leads to a substantial covered pergola with an electrically operated louvred roof, allowing the space to be

enjoyed whatever the weather. Mature, professionally designed planted borders add colour, privacy and year-round interest.

Externally, the property also benefits from a double-width driveway leading to a detached double garage. Previous planning permission was granted to create additional accommodation above the garage, highlighting the property's potential to evolve with a growing family, subject to any necessary consents.

Clarendon Park is one of Epsom's prestigious private residential estates, renowned for its peaceful surroundings and immediate access to Horton Country Park. Miles of walking, cycling and bridle paths are on the doorstep, while David Lloyd Leisure Centre is also nearby. Ewell West railway station, just over a mile away, provides direct services to London Waterloo in approximately 34 minutes, making this an appealing location for families and commuters.
