We're delighted to present this exceptional new residential development located at the northern edge of Liverpool city centre - an area poised for rapid growth, positioned within one of the UK's most ambitious regeneration districts.

This architecturally striking scheme comprises a collection of studio, one, and two-bedroom apartments, designed to offer a premium standard of living. Influenced by New York-style interiors, the homes feature full-length windows, integrated kitchens, high-spec finishes, and a selection of private balconies or terraces.
