12 HALL FARM COURT

This beautifully maintained barn conversion, part of a prestigious gated development of 13 homes, blends rustic charm with modern comfort. Built by Spitfire Homes nine years ago, the property features exposed brickwork, original beams, and high-end finishes. The heart of the home is an open-plan kitchen diner with triple-aspect views and an L-shaped breakfast bar. The lounge, with full-length bi-fold doors, opens onto a landscaped courtyard garden, perfect for outdoor relaxation and entertaining. Upstairs, a glass gallery landing leads to three spacious bedrooms. The principal bedroom includes an en-suite and dressing area, while bedrooms two and three offer ample storage. A bright family bathroom completes the floor. The courtyard garden boasts a Chelsea Flower Show-sourced water feature, a spacious patio, and a pergola. Additional features include a double garage, ample parking, and communal areas surrounded by open fields for a peaceful setting.

Step inside to a grand entrance hall with elegant tiled flooring and a stunning glass and wood staircase, creating an immediate sense of light and space. The ground floor, fully equipped with underfloor heating, showcases a vaulted ceiling and leads to a spectacular main living space. A feature log burner, complemented by a decorative timber mantel, adds warmth and character. On the opposite side of the room, bi-fold doors extend out to a private courtyard garden, perfect for hosting gatherings or enjoying quiet moments with family.

The kitchen is a true focal point, with a sleek L-shaped breakfast bar, and triple aspect windows that flood the room with natural light. Equipped with top-of-the-line appliances and thoughtful storage, this space is ideal for cooking and casual dining alike. Off the kitchen, a practical utility room adds further convenience to this well-designed layout.

The upstairs continues to impress with a beautifully crafted glass gallery landing, offering stunning views of the original wooden beams. The principal bedroom is a serene retreat, featuring a dressing area, an en-suite bathroom, and ample bespoke storage. A remote-controlled air conditioning unit ensures comfort year-round. Bedrooms two and three are equally impressive, with bedroom two offering lovely views and extensive fitted wardrobes. Bedroom three, currently used as a dressing room, can easily be converted back into a spacious double bedroom. The family bathroom is a standout feature, boasting a luxurious four-piece suite, including a large shower enclosure and a deep bathtub. Sky-lit windows provide an abundance of natural light, enhancing the sense of space and tranquillity.

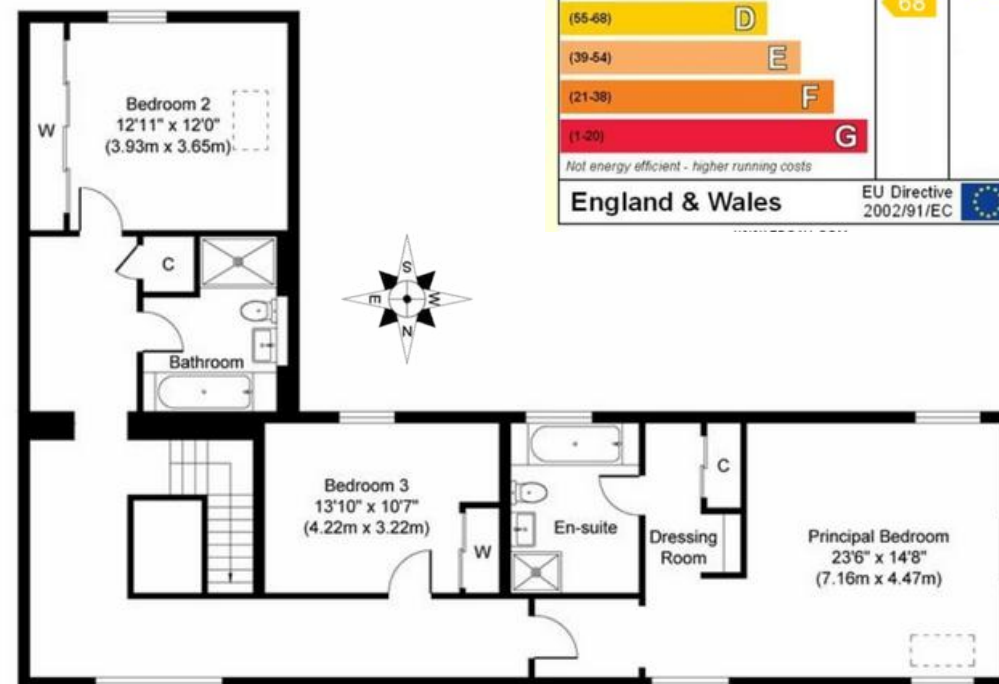

The courtyard garden is a true highlight of this property, thoughtfully designed with a water feature sourced from the Chelsea Flower Show. The generous patio area is perfect for outdoor dining and relaxation, capturing the sun throughout the day. A charming pergola adds a sense of structure and provides additional planting opportunities, while a shaded area behind the garage offers a quiet retreat. The double garage and driveway provide ample parking, and a pedestrian gate offers easy access to the rear of the property. The communal areas are equally impressive, with a central landscaped water plaza that create a peaceful retreat, all surrounded by open fields.
