The property is approached via a spacious entrance hall, which provides access to all principal rooms and creates a welcoming first impression. At the heart of the home is the impressive double-aspect lounge/diner, where large windows allow natural light to fill the room, while the generous proportions provide a versatile space for both everyday living and entertaining.

The modern fitted kitchen is situated to the rear and offers a good range of wall and base units, ample worktop space and excellent storage. There is also sufficient room for a range of appliances, including a fridge freezer, washing machine and dishwasher.

The generously sized double bedroom benefits from useful built-in wardrobe space, providing practical storage without compromising the sense of space. A separate WC adds further convenience, while the modern bathroom is finished to a high standard, featuring a bath with an overhead shower over and attractive marble-effect wall and laminate flooring.

The property's location is a particular advantage, with the railway station, local shops and

everyday amenities all close at hand. Worthing town centre and the seafront are also within easy reach, while nearby parks, bus routes and schools add to the area's overall convenience.
