With unrivalled spectacular views, this home offers a rare and fantastic opportunity to upgrade and add value. There is no upward chain and the house has parking, a new roof in 2019, a large detached workshop and is a blank canvas to create your own magical home. Located on a very quiet lane, yet within a ten minute walk of the nearest pub and primary school, the home has uPVC doors and windows. The council tax banding of B is an additional bonus.

On the ground floor, the sitting room leads through to the kitchen and shower room. To the first floor are two spacious double bedrooms and an additional room accessed through Bedroom Two. To the front is space for one vehicle to park, whilst the rear yard includes a large outbuilding-workshop.

Masson View is located just off Farley Hill, on the north-western edge of Matlock. Countryside walks and great cycling routes can be discovered in all directions. Matlock town centre is within a 20 minute walk and has lovely riverside walks, lots to explore around Hall Leys Park and great transport connections north and south via road, rail and bus. The delights of the Peak District - including Chatsworth House, Bakewell, Buxton and the Monsal Trail - are all a short drive away.
