Location

Coddenham is considered to be one of Suffolk's prettiest villages. It is a relatively rural village, but it has the great advantage of being close to the A140, A12 and A14, which makes Wheelwrights Cottage an ideal bolt-hole. It has a quintessential village shop and is located within easy walking distance of the Country Club, which holds various events for its members as well as having a well frequented bar. Coddenham also has a community centre with excellent hall and tennis court.

The village is approximately 8 miles north of Ipswich, which has an array of national shops and a railway station with trains to London's Liverpool Street scheduled to take just over the hour. The property is perfectly located for easy access to all that Suffolk has to offer, including golf, sailing, walking and bird watching. The world famous concert hall at Snape Maltings is approximately 19 miles from the property.

Description

Wheelwrights is a charming, extended three bedroom detached cottage with brick elevations under a predominantly pitch tiled roof. The cottage is located in the heart of the popular village of Coddenham just a short walk from the village shop. It benefits from enclosed gardens to the rear, a timber garage and ample off-road parking for several vehicles. The cottage has well laid out accommodation over two floors and has a cellar. The property benefits from oil fired central heating and is mostly double glazed.

Entering the property from the front into the porch, a door leads to the sitting room. This is a dual aspect room with windows to the rear and the side and a feature brick fireplace with recessed woodburning stove. At the other end of the sitting room there are French style doors that open into the wooden conservatory. This has a polycarbonate roof, double glazed windows and French style doors that open out onto the garden. A further door from the sitting room leads to the kitchen/dining room. This a good sized room with windows to the rear, with mostly ceramic tiled floors, a trap door to the cellar and a door to the rear of the property. The kitchen area has a range of matching wall and base units with a single drainer sink unit with mixer tap over, recessed into the work surfaces, four ring electric hob with extractor hood over and a electric oven under. There is an opening from the kitchen area that leads to the utility room with views to the rear, space and plumbing for a washing machine and appliances, and a range of wall units. From here is the rear hall with a window to the rear, door to the garden and a door to the downstairs shower room.

From the sitting room there are stairs that rise to the first floor landing which provides access to the three bedrooms. Bedroom one has windows to the side and a built-in cupboard. Bedroom two is dual aspect with windows to the front and rear, together with fitted wardrobes. Bedroom three has a window to the front and a built-in wardrobe. The family bathroom has a freestanding bath, WC and pedestal handwash basin.
