Jack Charles are delighted to present this beautifully characterful detached cottage, set within the heart of the ever popular village of Wrotham. Positioned within an Area of Outstanding Natural Beauty and a Conservation Area, this charming home has been carefully enhanced by the current owners, seamlessly blending its original period features with modern day living.

Enjoying a prime village setting, the property is just a short walk from a range of local amenities including traditional pubs, shops and a primary school, while Borough Green & Wrotham station is also within easy reach, offering excellent connections into London. The surrounding countryside provides a wealth of outdoor pursuits, with nearby landmarks such as Ightham Mote, Oldbury Hill, Coldrum Stones and Trosley Country Park.

The ground floor offers a well balanced and flexible layout. The main living room is a standout space, centred around a striking inglenook fireplace that brings both character and warmth. A separate dining room provides an ideal setting for entertaining or family gatherings, complemented by bespoke storage. The kitchen is thoughtfully designed with ample worktops, classic style units, integrated appliances, water softener and space for an American style fridge freezer.

A useful utility room sits off the kitchen, offering additional practicality and direct garden access. There is also a versatile family room fitted with bespoke shelving and doors opening out to the garden, creating a natural flow between indoor and outdoor living. A dedicated study provides an ideal work from home space, alongside a conveniently placed cloakroom. Much of the ground floor benefits from zoned underfloor heating, ensuring comfort and efficiency throughout.

Upstairs, the accommodation comprises four well proportioned bedrooms. The principal suite benefits from a modern en suite shower room, while the remaining bedrooms are served by a well appointed family bathroom.

Externally, the property continues to impress. The rear garden has been thoughtfully landscaped to create a private and tranquil setting, with lawned areas, mature planting and multiple seating spots for relaxing or entertaining. A high specification garden studio by Green Retreats adds further versatility, fully equipped with power, lighting, heating and air conditioning, making it suitable for a range of uses all year round.

The property also benefits from a substantial double garage exceeding 400 sq ft, ideal for storage, workshop use or hobbies, along with a log store, water butts and a productive fruit garden. To the front, a private driveway provides ample parking for several vehicles.

A rare opportunity to acquire a distinctive home in a sought after village location, offering both character and practicality with excellent transport links. Viewing is strongly advised.
