Set within the Mapesbury Conservation Area, this first floor two bedroom, two bathroom apartment offers over 800 sq ft of well proportioned living space within a well maintained building.

The flat features a large reception room, a modern kitchen and contemporary bathrooms, including an ensuite to the principal bedroom. Both bedrooms are generous double rooms, with built in wardrobes to the main bedroom.

A key benefit is off street parking, a rare and valuable addition for the area. The building is well cared for with good neighbours, and the property was previously owner occupied, which is reflected in its condition.

Willesden Green station is a short walk away, offering excellent access into Central London and making the property ideal for professionals.
