There is off road parking for several cars and a peaceful rear garden which is completed with a cabin room. Interior

Throughout, this home feels exceptionally neat, airy and immaculately presented, with a wonderful sense of space and calm that is increasingly difficult to find.

A solid timber entrance door opens into a spacious hallway, where practical storage has been thoughtfully incorporated with both an airing cupboard and a generous cloaks cupboard, ideal for coats and outdoor apparel. The heart of the home is the generous kitchen/dining room, a wonderfully sociable space that enjoys the morning sunshine. Fitted with an extensive range of traditional country-style wooden wall and base units, it offers excellent storage and workspace, complemented by an integrated dishwasher. An original serving hatch links the kitchen to the sitting room, adding both charm and practicality while retaining one of the home's original design features.

The spacious sitting room is beautifully bright and airy, with natural light streaming through large sliding patio doors that open directly onto the garden. A stone fireplace with matching hearth and a gas fire provides an attractive focal point, while an adjoining dining area or home office creates flexibility for modern family life. As the day progresses, these reception rooms become wonderfully bathed in the afternoon and evening sunshine.

Overlooking the garden, the conservatory provides an enjoyable additional reception room and practical utility space. Offering a seamless connection between indoors and out, it is the perfect place to relax and appreciate the changing seasons.

There are three well-proportioned bedrooms, comprising a generous principal bedroom complete with fitted wardrobes and storage surrounding the bed, together with a comfortable double bedroom and a single bedroom positioned to the front of the property.

The family bathroom is fitted with a 'P'-shaped bath incorporating an overhead shower, a concealed cistern WC and basin. A separate cloakroom with its own basin provides additional convenience.
