A little more information

1 Silverbank View is located in the popular village of Whiting Bay, one of Arran's largest villages, with its beautiful sandy beach and has easy access to the many forestry and country walks nearby at the picturesque Glenashdale and Fairy Glen. The village primary school is close by, early years classes and the secondary school with UHI hub is in Lamlash village, just 3 miles to the north.

Whiting Bay is a bustling and friendly community with a large village hall, local pub, restaurants, a good selection of shops including a post office and a pharmacy, an 18 hole golf course and bowling green amongst many other amenities.

The Isle of Arran is an incredible place to call home. With clean air, clear water and some of Scotland's most incredible scenery, you can share your island with eagles, otters, red squirrel and deer.

The island communities are small enough to become involved, yet big enough to keep you interested and growing. We can't recommend it enough.

By separate negotiation, some of the contents and white goods can be purchased.
