The Green, Parsonage Road, Newton Ferrers, Devon, PL8 1AT

Completed in 2022 and still benefitting from the remainder of a 10 year ICW warranty, this contemporary detached home is set within a small, exclusive development of just 28 homes at Clover Park. Built by AdPad Construction and subsequently enhanced by the current owners, it offers approximately 1,837 sq ft of bright, thoughtfully arranged accommodation designed around comfort, quality and modern family life.

From the outset, the house has a strong sense of arrival. The specification is high, the proportions are generous, and the layout has been planned to feel easy in day to day use. One of the home's most useful details is the spacious rear parking, garage and access, which suits day to day life brilliantly, particularly for unloading shopping, getting everyone in and out with ease, or coming home from the coast or moor, while the front entrance still delivers a sense of arrival when you're welcoming guests.

The Living Spaces

The front door opens into a spacious entrance hall that feels bright and welcoming, with Karndean flooring underfoot and a softly carpeted staircase rising to the first floor, the layout gives a spacious, easy flow through to the main living spaces.

The open plan kitchen, dining and living space has been created for both everyday routines and entertaining, with excellent natural light throughout. The kitchen is fitted with sleek deep blue cabinetry, integrated appliances and crisp white worktops, with a run of tall cupboards for excellent storage. A generous breakfast bar creates an easy social hub with seating for three, beneath statement pendant lighting. The sink is set beneath the window, making the most of the outlook and natural light.

The dining area enjoys a window overlooking the garden, an inviting spot for long lunches and relaxed evenings. At the other end of the room, the sitting area is arranged on soft carpet and finished with a calming feature wall, creating a comfortable place to unwind with plenty of space for a large sofa.

Glazed doors open into a garden room that brings a lovely sense of connection to the outside. Filled with natural light and opening onto the patio, it works beautifully as a quiet day room, a place for reading, morning coffee, and house plants, gently set apart from the main living space while still feeling part of the flow of the house. The wide bifolding doors draw the terrace right up to the room, making it feel wonderfully open on warmer days. For buyers who love open plan living but also want an additional, separate reception room, it strikes the balance perfectly, connected when you want it to be, and quieter when you don't. It also suits family life as needs change over time, ideal as a playroom for younger children with easy access to the garden, or a relaxed hangout for older children wanting their own space. The bifold doors open to the terrace and garden, creating an easy extension of the living space.

A separate utility room keeps laundry and appliances neatly out of the main living spaces. The guest cloakroom sits just off the hallway, finished with a contemporary suite.

Bedrooms and Bathrooms

Upstairs, the principal suite is with Sharps fitted wardrobes and a dedicated en suite shower room. The bedroom itself is notably spacious, with an excellent run of built in storage spanning the wall, including a mix of a vanity unit (with lights and an electric socket) hanging space and drawers that keeps everything neatly organised. Soft carpeting adds comfort underfoot, and the proportions allow for a large bed and additional furniture without feeling compromised.

Outside

The garden has been arranged in two distinct zones. Immediately beyond the garden room, an extensive paved terrace creates a brilliant outdoor living space with room for both dining and lounging. A few steps lead down to a neatly kept lawn edged by planted borders with a further patio area, with a small pond providing a gentle focal point. The layout is designed to be easy to look after, while still feeling established and green through the seasons. A gate from the garden opens directly to the rear parking area and the single garage, reinforcing the convenience of everyday rear access.

Setting and Lifestyle

Clover Park sits on the edge of Brixton, a well-connected South Hams village that combines a friendly community with excellent access to Plymouth City Centre, around six miles away. The village offers a much loved pub, a garden centre with café, a local garage and a popular fish and chip shop. Families are well served by St Mary's C of E Primary School, rated Outstanding, with Ivybridge Community College and Coombe Dean School among the strong secondary options within easy reach. Local clubs and village events help create a genuine sense of community.

For outdoor living, the area is exceptionally well placed. Footpaths lead from the village into open countryside and down towards Cofflete Creek, while the sandy beaches at Wembury and Mothecombe are a short drive away. Residents can also apply for mooring rights on the Yealm Estuary, a beautiful setting for sailing, paddle boarding and other water sports, and Dartmoor National Park is close by for walking, cycling and riding.

Plymouth, Britain's Ocean City, provides theatres, restaurants, historic waterfront destinations and major retail. With mainline rail services to London and ferry links to Europe, it offers impressive connectivity.
