Chain free, this four bedroom end of terrace house was built by David Wilson Homes around 2008 and is well placed for access to all local amenities. Tesco and the medical centre are just around the corner and the mainline railway station is only a few minutes away on foot. The primary school is a ten minute stroll, with older kids catching a school bus to The Weald Secondary School from a stop just down the road. Wonderful country walks into the South Downs are close by, plus a range of independent and specialist shops, bars, cafes, takeaways and restaurants.

Freshly redecorated throughout, the property offers more than 1100sq ft of living space, including a bright, dual aspect living room, plus a study / playroom in addition to the dining kitchen. Upstairs, two of the bedrooms are ensuite and there is also a family bathroom, making this a great home for anyone with teens or grown up children who are keen to have their own space. There's driveway parking for two cars and a good sized, lawned garden to the rear, with mature trees offering a good degree of peace and seclusion.
