

Westbrook Avenue, Westbrook, Margate, CT9

Open To Offers £150,000

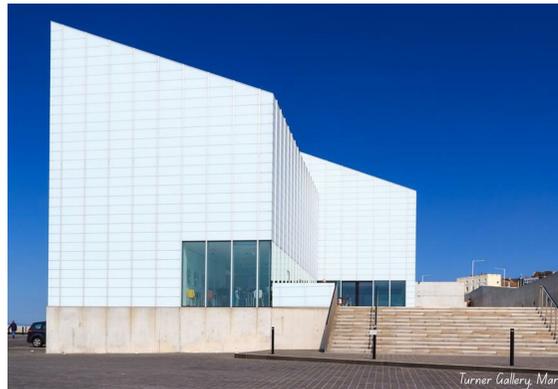

This flat on Westbrook Avenue gets its appeal from simplicity done well - space where you want it, light where you expect it, and a location that quietly elevates everyday living.

Set just moments from the sand, it offers a sense of ease that comes from having the best of Margate within walking distance: the station for London days, the Turner and Old Town for slower ones, and the beach for everything in between. Inside, the layout is straightforward and generous. A well-proportioned living room, the fitted kitchen does its job without fuss, and the bedroom is a comfortable retreat with the added advantage of a substantial eaves storage - practical, flexible and often underestimated. The bathroom is neatly self-contained, completing a home that feels considered rather than compromised.

With double glazing, central heating, off-street parking and the benefit of vacant possession with no onward chain, this is a property that removes friction from the buying process. Whether as a coastal base, a first step onto the ladder or a low-maintenance home by the sea, Westbrook Avenue offers a way to live in Margate that feels settled, convenient and genuinely enjoyable.

With an estimated rental income of £850pcm this is the perfect rental property, at £150,000 this is a 6.8% rental yield. With no service charge due to the building having the right to manage this makes it the perfect Buy-to-let or first-time buy.
