Originally a working mill, the building has been sympathetically transformed to create a distinctive collection of stylish apartments, retaining attractive elements of its industrial heritage alongside modern comforts.

The apartment itself is finished to a high standard, with underfloor heating, quality LVT flooring and striking bespoke glazing. A welcoming entrance hall provides useful storage and leads through to the impressive open-plan kitchen, dining and living space, creating a sociable setting for both everyday living and entertaining. The location is particularly convenient, being within easy walking distance of Loughborough town centre and the railway station, whilst the development itself provides a peaceful and exclusive setting away from the bustle of the town.
