Constructed to an exceptional standard and still presented in show home condition, the property benefits from a number of high-quality upgrades including landscaped gardens and stylish window shutters, together with the reassurance of the remaining 10-year builder's warranty.

The spacious and thoughtfully designed accommodation briefly comprises a welcoming reception hall with stairs rising to the first-floor accommodation and a useful fitted storage cupboard beneath. A particular highlight of the property is the impressive triple-aspect open-plan kitchen, dining and family room which creates a superb everyday living and entertaining space. Double doors open directly onto the rear garden, allowing for excellent natural light throughout.

The kitchen area is fitted with a comprehensive range of contemporary base and eye-level units complemented by a breakfast bar and a selection of integrated appliances including a double oven, hob, fridge/freezer and dishwasher. A separate utility room provides additional storage together with space and plumbing for further appliances.

The sitting room is another excellent reception space and also benefits from double doors opening onto the rear garden. Completing the ground floor accommodation is a study, ideal for home working, together with a cloakroom fitted with a WC.

On the first floor, the landing provides access to the loft space and a further fitted storage cupboard. There are four well-proportioned bedrooms, with bedrooms 1 and 2 both benefitting from built-in wardrobes. The principal bedroom also enjoys a stylish en-suite shower room, while the remaining bedrooms are served by a modern family bathroom.

### Gardens & Grounds

Externally, the property continues to impress. There is a detached oversized single garage with power and light points, together with an electric vehicle charging point and parking area positioned in front of the garage.

The rear garden has been attractively landscaped and features an extended patio terrace spanning the width of the property creating an ideal space for a hot tub or al fresco dining and entertaining, while the remainder of the garden is laid to lawn with planted borders providing colour and screening throughout the seasons.
