DESCRIPTION

Nestled in the picturesque village of North Cowton, Haughton House presents a rare opportunity to acquire an impressive and spacious Grade II listed family home in the heart of North Yorkshire. This charming six-bedroom residence spans three floors and offers generous outdoor space, ample storage, and versatile living accommodation, making it ideal for a variety of buyers—

particularly those seeking to add their own personal touch to a beautiful family home.

Upon approach, the property offers access via both front and rear entrances. The front door opens into a welcoming, spacious hallway, while the rear entrance leads conveniently into a recently renovated utility room, which flows directly into the heart of the home—the kitchen.

The kitchen and utility area have been thoughtfully refurbished to combine style with practical functionality. Features include classic built-in panelled cupboards, elegant marble-effect worktops, a double ceramic sink, a central island with breakfast bar, and a suite of integrated appliances: double oven, fridge freezer, microwave, dishwasher, and wine fridge.

Across the hallway lies the dining room/snug. Traditionally used for dining, this inviting space, complete with a built-in log burning stove, could equally serve as a cosy snug or family sitting room.

Additional ground floor spaces include a formal sitting room which is flooded with natural light from three large windows. This room also enjoys wooden flooring and a traditional wood-burning stove, making it the perfect space for relaxation or entertaining. A spacious, recently refurbished ground floor WC adds further convenience with a walk-in shower, WC and basin.

For those in need of extra storage or workspace, the property also boasts a cellar and a mezzanine level. While the mezzanine requires renovation, it offers excellent potential for a home office or playroom.

The accommodation continues across two upper floors, comprising six generously sized double bedrooms, four on the first floor and two on the second. Three of the first-floor bedrooms retain original fireplaces, adding character and charm. The first floor also benefits from a stylishly appointed family bathroom, featuring a walk-in shower and built in bathtub.

Externally, the home sits on a substantial plot, offering a variety of outdoor spaces to enjoy. The garden is divided into three distinct zones: a large walled courtyard featuring an original outdoor WC and a spacious garage; a well-maintained central lawn ideal for family recreation; and a peaceful, secluded orchard at the far end, perfect for relaxation or gardening enthusiasts.

With its unique charm and generous layout, this property offers a rare chance to craft a truly beautiful home. Although it is in need of some updating, it presents the perfect canvas for those wishing to add their own personal touch to a highly desirable residence.
