Theatre Street

Warwick, CV34 4DP

Price guide €400,000

Town centre, three bedrooms and plenty of charm — what's not to like?

If town-centre living is your thing, this beautifully presented three-bedroom terrace in the heart of historic Warwick should definitely be on your radar. Character, convenience and a little bit of period-town magic all rolled into one — and, rather importantly, no upward chain. We do like to make things easy.

Inside, the ground floor has a lovely sense of flow, with a welcoming living room featuring a wood burner, a dedicated dining area and a stylish breakfast kitchen. There's also a downstairs WC, because nobody really wants to be trekking upstairs when entertaining.

Upstairs are three bedrooms and a family bathroom, offering plenty of flexibility whether you're looking for a family home, a place to work from home or simply somewhere with enough room for guests.

And then there's the garden. Pretty, private and a welcome little pocket of outside space in such a central location. A covered walkway provides access to the street, and although the walkway is owned by the property, the neighbouring property also has access — one of those quirks that comes with owning a home in a historic town.

Beautifully presented throughout, wonderfully positioned and ready to move straight into, this is town-centre living without the compromise. Shops, cafés, restaurants, history and all the delights of Warwick are quite literally on your doorstep.

So, if you're looking for a characterful home in a brilliant location, with three bedrooms, a garden and no onward chain... this one might just have rather a lot going for it.
