INTRODUCTION

This simply stunning period Georgian property has been lovingly refurbished by the current owner to create a wonderful home of both character and great appeal. Originally part of a former farmhouse which, in time gone by, has been divided into what are now 2, semi detached houses. This beautiful property stands in a prominent position close to Welton's picturesque village centre. With its very well proportioned accommodation, early viewing is strongly recommended to appreciate the features that this home affords which also, unusually, includes double garaging to the rear plus parking. The layout is depicted on the attached floorplan and briefly comprises of an entrance hall, large living room, stunning dining kitchen, and rear lobby. On the first floor are 3 good sized bedrooms and a stylish bathroom. Outside, a gravelled path leads up to the front door and is flanked by a lawned garden with feature monkey puzzle tree and attractive brick wall. To the rear, there is a good sized westerly facing garden, again mainly lawned, complimented by stocked borders. At the bottom of the garden, a door opens to a double garage which is accessed by vehicles from the cul-de-sac of Bartrams and also provides parking.

LOCATION

The property lies within the conservation area of the stunning Welton village with its picturesque centre clustered around the beautiful 11th century St Helen's church and pond with a stream running down from Welton Dale. The village of Welton lies at the foot of the Yorkshire Wolds, some 10 miles to the west of Hull city centre. The property is ideal for the commuter as it provides immediate access to the A63 leading into Hull city centre to the east or the national motorway network to the west. There is also a mainline railway station with a regular service to London's Kings Cross situated in the neighbouring village of Brough. Good shopping including several supermarkets, well reputed schooling and general amenities are available in the surrounding area and the location is a gateway to many beautiful countryside walks. Primary schools are located in Welton and Brough with the highly regarded secondary school South Hunsley in the neighbouring village of Melton. Private schooling is also available in the area including Hymers College, Tranby and Pocklington. The village also has a public house, The Green Dragon, which serves food, has accommodation and is reputed to have a connection with Dick Turpin, the infamous highwayman.
