An extended four double bedroom detached house providing 2,160 sq ft of spacious family living accommodation and occupying a large, south facing plot approaching a quarter of an acre with an integral double garage.

The property has been owned by our clients for just over a decade during which time they have carried out a considerable amount of refurbishment and modernisation to the house to include a new roof, the addition of an open fronted oak storm porch, and extending the property three times to the side and rear creating a large open plan living/dining/kitchen, utility and separate office, and a first floor master bedroom with 3m vaulted ceiling, an en suite and a walk-in wardrobe.

The property was re-wired and a new central heating system installed during the same time as the kitchen and bedroom extension and there are UPVC double glazed windows and doors throughout. The living accommodation comprises an entrance hall, downstairs WC, separate office, utility, dual aspect open plan lounge/diner with French doors and a substantial open plan living/dining/kitchen with island, walk-in pantry, ceiling lantern to the dining area and bi-fold doors leading out onto the south facing rear garden. The first floor landing leads to a dual aspect master bedroom with en suite and a walk-in wardrobe. There are three further double bedrooms, a second en suite and a family bathroom.

OUTSIDE

Chatsworth Close is a small cul-de-sac featuring a range of high quality and high value detached homes, with number 8 occupying a large plot approaching a quarter of an acre and benefiting from being south facing to the rear. The property stands back behind a brick walled boundary frontage adjacent to a large tarmac and block paved driveway which provides ample off-road parking for at least four cars which leads to an integral double garage equipped with power and light and with twin up and over doors. The front garden is laid to lawn with borders with plants and shrubs, and a gate to the side provides access to a useful area to the side of the house to keep a shed leading round to the rear garden. To the rear of the property, there is a large, south facing garden featuring a substantial Indian sandstone patio on two levels which extends across the full width of the property with ample brick wall features with light fixtures on top. Central steps from the main patio leads down to a further sandstone patio area leading to a central winding pathway leading to the feature hobbit house with lighting and a heater. Beyond here to the lower portion of the garden there are ample lawns and deep borders with plants, shrubs and trees.
